

***PRSS1* IVS3+157C>A c.454+157C>A**

Citation

- Liu QC, Gao F, Cheng ZJ, Ou QS. **Multisite mutations of the PRSS1 gene in a Chinese patient with chronic pancreatitis.** Hepatobiliary Pancreat Dis Int 2008; 7:331-332

Note that subject also carried variant IVS3-192T>A (c.455-192T>A); possibly on a different allele.

Note that the variants were not described in the article; they were deduced from the electropherograms.
